MoreSports Code

MoreSports programs are primarily for children not currently involved in community sports. All players are welcome as long as they recognize and respect the diversity of experience and skill level of all players and coaches involved.

MoreSports "Pay What You Can" Policy

MoreSports is committed to ensuring that no child will be denied an opportunity to participate in a program because of an inability to pay fees. Parents and guardians needing a subsidy are invited to speak to their child's teacher, school counsellor, school principal or the MoreSports Hub Coordinator.
